THE STEP SISTERS ANNOUNCE NEW APPOINTMENT

Janet Gustin joins non-profit's board

ASHBURN, Virginia (March 7, 2019) - The Step Sisters are pleased to announce the appointment of Janet Gustin to their board. Ms. Gustin is currently a Senior Contracts Manager at a large government contractor and brings her skills in the areas of fundraising and legal support.

The Step Sisters work to improve the quality of life for those impacted by breast cancer. Partnering with local hospitals, the group funds needed support services that directly benefit patients in Northern Virginia.

After her own fight with breast cancer in 2018, Janet is eager to begin work with the group stating, "During my treatment, I had help and support from family and friends, but I know not everyone is that fortunate. I want to give back by helping local area residents who are facing this terrible disease."

"As a breast cancer survivor, Janet brings a close understanding of patient need," explain Ashley Campolattaro and Angela Fuentes, Founders and Co-Executive Directors for The Step Sisters. "Her experience and energy will be such a positive force for the group."

Ms. Gustin lives with her partner in Brambleton. They enjoy travel as well as time with friends and family.
