

FOR IMMEDIATE RELEASE

THE STEP SISTERS ANNOUNCE NEW APPOINTMENTS

Tish Spaulding and Katrece Nolen join board of directors

ASHBURN, Virginia (December 9, 2020) - The Step Sisters are proud to announce the appointments of Tish Spaulding and Katrece Nolen to their board. Ms. Spaulding is the Center Director at Winwood Children's Center in Brambleton and Ms. Nolen is the Managing Director of Nolen Management Group, LLC.

The Step Sisters work to improve the quality of life for those impacted by breast cancer. Partnering with local hospitals, the group funds needed support services that directly benefit patients in Northern Virginia.

In 2012, Tish Spaulding became acquainted with the group after her own breast cancer diagnosis, participating in the Step Sisters' Ribbon Run just weeks after her last treatment. She explains, "I love what the Step Sisters have to offer the community and the ladies who have just received the awful diagnosis of cancer. I look forward to seeing what the next few years bring to this organization."

Katrece Nolen is a cancer advocate and author of the book, "I've Been Diagnosed, Now What? Courageously Fighting Cancer in the Face of Fear, Uncertainty, and Doubt". She states, "I believe that my experience as a young adult cancer survivor as well as the unique perspective of a diverse, Black family in Loudoun County can provide The Step Sisters a view into equity issues and health disparities in the area of cancer support services."

"Tish and Katrece both bring understanding and compassion to the group as survivors. These personal connections combined with the desire to help others make both women fantastic additions to our organization," explain Ashley Campolattaro and Angela Fuentes, Founders and Co-Executive Directors for The Step Sisters.

Ms. Spaulding lives in Manassas with her husband and rescued German Shepherd. Ms. Nolen lives in Ashburn with her husband and three children.
